

HLL Lifecare Ltd.

HLL Lifecare Limited (HLL) is a Mini Ratna Govt. of India Enterprise, under the Ministry of Health & Family Welfare , originally established in 1966 to manufacture and supply condoms to Family Planning Programme of Gol. Over the last 2 decades, HLL has transformed – from a Condom company to a Healthcare delivery company. HLL diversified into other areas in healthcare including hospital products, pharmaceuticals, hospital infrastructure management, procurement consultancy, pharma retailing, vaccines and diagnostic services.

Launched in 1987 as the HLL's flagship condom brand, MOODS comes in 19 variants and it is exported to more than 33 countries in Asia, the Middle East, Africa, Europe, South America and the Caribbean Islands. HLL also runs a network of diagnostic centers – HINDLABS offering diagnostic services and HLL PHARMACY and HLL OPTICALS for lifesaving drugs and surgical implants, and ophthalmic products.
