1. NOTICE INVITING TENDER

Invitation of Bids for selection of NABL ACCREDITED LABORATORIES for performing Inter-Laboratory-Comparison (ILC) of samples for HINDLABS diagnostics centers in Maharashtra.

ABOUT US

HLL Lifecare Limited (HLL) is a public sector undertaking under the administrative control of the Ministry of Health & Family Welfare, Government of India. HLL's purpose of business is "to be a globally respected organization focusing on inclusiveness by providing affordable and quality healthcare solutions through continuous innovations. In its quest to become a comprehensive health care solutions provider, HLL had diversified into hospital products, healthcare and retail services, while nurturing its core business of providing quality contraceptives.

The Healthcare Services Division of HLL provides Medical Diagnostic Services (Laboratory and Imaging) and other facilities like Wellness Clinic/Polyclinic to partner institutions in a PPP model. Our first center in association with CGHS started functioning since February 2008 in New Delhi. The Healthcare Services Division (HCS) of HLL has established network of laboratories across the country, especially with a very large network in the States of Maharashtra, Assam and Uttar Pradesh for State Government projects.

HLL has established 132 HINDLABS Diagnostics Centers across the State of Maharashtra, for implementing the Free Diagnostics Scheme of Government of Maharashtra. In HINDLABS, quality stands on priority and undergoes various quality programs which include Inter-Laboratory-Comparison (ILC). As part of this, **1% of samples per day shall be sent to an NABL accredited laboratory for testing.** HLL currently implement the ILC program through the outsourcing partner laboratories. But in order to avoid the factor of 'conflict of interest' HLL is planning to undertake the ILC program exclusively with those labs other than our existing outsourcing partners.

This tender is invited for selection of NABL Accredited laboratory for performing Inter-Laboratory-Comparison (ILC) of samples for all the HINDLABS Diagnostics Centers across the Maharashtra state under the NHM project.

2. SCOPE OF SERVICE

The Laboratories selected for ILC shall carry out the following:

- Shall collect the samples for ILC from the respective labs once in a week as per the locations mentioned in Annexure-B.
- Shall ensure the transportation of samples from HINDLABS to the testing labs are done safely and under the required temperature so that the samples shall meet the quality requirements for acceptance and testing.
- Shall be able to make HINDLABS barcode compatible to the testing lab software so that comparison can be done by HINDLABS team.
- Shall able to perform tests as per the test menu in Annexure-C.
- Shall able to deliver the reports as per the TAT in Annexure-C. In the event there is any delay in TAT, 10% of the test cost for each day will be deducted for the particular test.
- Shall able to provide the software interface which facilitates the registration and transfer the reports to the LIS used by HINDLABS.
- Shall provide the analytical reports as per the format given by HLL as per the requirement.
- Shall provide the QC data as per HLL's requirements.
- Shall help HINDLABS to standardise the biological ranges if any requirement arise to compare the results.
- Shall submit the SOP for sample collection, transportation and reporting of the samples.
