TRANSFORMING LIVES THROUGH TRUSTED SOLUTIONS

HLL Lifecare Limited
Innovating for Healthy Generations

THE ULTIMATE GLOBAL PARTNER FOR YOUR HEALTH

Welcome to the world of leading healthcare global brands.
HLL Lifecare Limited, a pioneering force in India's healthcare sector, stands as The Ultimate Global Partner for your health. We bring together a diverse portfolio of renowned international brands, offering innovative and high-quality solutions across a spectrum of healthcare needs.

DISCOVER HLL: THE NAME BEHIND TRUSTED HEALTHCARE

HLL Lifecare Limited is a Government of India Enterprise under the Ministry of Health and Family Welfare. HLL stands as a beacon of quality and affordability in the global healthcare landscape. The global footprint of HLL underscores its commitment to improving public health on an international standard. From contraceptives to hospital products, HLL offers a diverse range of high-quality products that meet the evolving needs of healthcare systems worldwide.

By choosing HLL as your healthcare partner, you gain access to a trusted and reliable source of essential healthcare products and solutions. Today, HLL solely owns eight state-of-the-art manufacturing plants in India.

HLL lives up to its vision of 'Innovating for healthy generations' constantly driving innovation and harnessing modern technology to deliver world-class healthcare solutions.

HLL's key strengths lie in its global reach, exporting products to nearly 85 countries and partnering with major international organizations such as UNFPA, PSI, Mission Pharma, IPPF, IDA, and various health ministries.

HEALTHY LIVING STARTS WITH EMPOWERED DECISIONS

Responsible family planning is more crucial than ever in today's interconnected world. It empowers individuals and couples to make conscious decisions about the size and spacing of their families, leading to a multitude of benefits for both individuals and society.

For women, access to reliable and safe contraceptive methods is paramount. Women can pursue their personal and professional goals without interruption by planning pregnancies. Proper family planning can also reduce the risk of unintended pregnancies which may lead to adverse health consequences.

HLL Lifecare Limited is committed to making evolving healthcare products accessible to all. By providing a wide range of high-quality and affordable contraceptive options, we empower individuals and communities to make informed choices about their reproductive health.

MOODS® CONDOMS

MOODS condoms are designed for extraordinary moments. We believe true intimacy transcends mere physicality, encompassing respect, care and understanding your needs. He surely knows how to #PlayItRight and win over his woman.

Manufactured in HLL Lifecare's world-class facility, MOODS offers a diverse and thrilling collection designed to enhance pleasure and cater to individual desires.

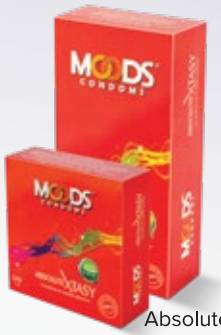

As a leading condom manufacturer in India, HLL Lifecare produces over 2 billion condoms annually in our top-tier facility. We prioritize quality and innovation, leveraging advanced technology and a dedicated workforce to meet the diverse needs of our discerning customers.

With an exciting range of over 22 variants, MOODS condoms are enjoyed by prudent individuals across the globe, spanning continents from Asia and the Middle East to Africa, Europe, South America, and the Caribbean Islands.

GOLD MOODS CONDOMS

Indulge in the exquisite world of Moods Gold Series. Experience the epitome of intimacy with these Gold Series condoms from MOODS, designed to provide an unforgettable and unparalleled journey of pleasure for you and your partner.

MOODS®
CONDOMS

MOODS GRAPHENE CONDOMS

Redefine your intimate moments with MOODS Graphene Condoms – where innovation meets intimacy! Crafted with advanced graphene technology, these ultra-thin yet incredibly strong condoms offer unmatched comfort and sensitivity without compromising safety. With their antimicrobial properties, enjoy added protection against infections while focusing on what truly matters.

WHAT IS GRAPHENE

By incorporating a small amount of graphene with natural rubber latex, the thermal conductivity of condoms increases which helps to increase the sensitivity and the sexual pleasure of the users. Also the tensile strength of the condom increases which decreases the chances of breakage of the condom.

Velvet®
FEMALE CONDOM

VELVET FEMALE CONDOM

Experience ultimate freedom and empowerment with the Velvet female condom. This women-centric contraception method enables you to be the one in charge of your reproductive health, offering dual protection against unwanted pregnancies and sexually transmitted infections.

Crafted from low-protein natural latex, Velvet Female Condoms are manufactured in HLL's state-of-the-art facility in Cochin, Kerala, with an annual capacity of 25 million pieces. The facility adheres to stringent ISO standards and is pre-qualified by the World Health Organization, ensuring the highest quality and safety.

NOVELLA™

NOVELLA

Novella is a trusted birth control pill for women. It contains a combination of Ethinylestradiol and Levonorgestrel, two hormones that effectively prevent pregnancy by preventing ovulation.

- Novella is a combined oral contraceptive pill that contains synthetic female hormones, estrogen and progesterone.
- Each blister pack has 21 pills.
- It is a safe, effective, and reversible contraceptive method.
- Take 1 Novella tablet daily at the same time, starting on day 5 of your menstrual cycle.

UNIPILL

Unipill is a single-dose emergency contraceptive pill containing 1.5mg of Levonorgestrel. It helps prevent pregnancy after unprotected sex or contraceptive failure. Unipill is WHO-prequalified, ensuring high quality and effectiveness. It empowers women by providing a safe and effective option to prevent unintended pregnancies without the need for MTP.

EMILY:
A LONG-ACTING HORMONAL IUS

EMILY is a Levonorgestrel releasing Intra Uterine Delivery System (IUS) developed indigenously by HLL Corporate R&D. EMILY provides contraception up to 5 years and is also ideal for treatment of Dysfunctional Uterine Bleeding (DUB).

- Contains 52mg of Levonorgestrel, releasing 20µg daily.
- Highly effective in preventing pregnancy for up to 3 years.
- Can significantly reduce heavy menstrual bleeding.
- May help treat pre-stage endometrial cancers.
- Non-permanent method; fertility returns after removal.

T-CARE 380 A

HLL's T-Care 380A is a highly effective, long-term contraceptive device. This T-shaped copper IUD is manufactured in a state-of-the-art facility adhering to stringent GMP and ISO standards.

Offering a hormone-free option, T-Care 380A is safe and suitable for breastfeeding mothers. Its copper content releases ions within the uterus, interfering with sperm motility and preventing fertilization.

T-Care 380A empowers women with the freedom to space their pregnancies. This convenient method of contraception provides reliable and long-lasting protection while allowing for quick fertility restoration upon removal.

- Ensures over 99% efficacy in contraception.
- Enables long-term protection for up to 10 years.
- Ensures steroid/hormonal-free contraception.

NATURAL

STRAWBERRY

MOODS LUBE

Experience enhanced pleasure with MOODS lubes, a range of water-based lubricants designed to reduce friction and irritation during intimate moments. Available in three variants – Natural and Strawberry – MOODS lubes cater to diverse preferences.

- Natural - For deep and passionate moments of love.
- Strawberry - For the fruity and fun moments of passion.

Cool Cup

COOL CUP

HLL's COOL CUP is a reusable, eco-friendly menstrual cup made from safe, medical-grade silicone. Offering up to 8 hours of leak-proof protection, it's odorless and reusable for up to 10 years. Available in three sizes for optimal fit, COOL CUP is cytotoxicity-tested and provides a sustainable and comfortable alternative to disposable menstrual products.

Lactohil

Natural choice for Lactation

LACTOHIL

Lactohil is a traditional formulation based on Stanyajananarasayanam, designed to enhance lactation. It supports prolactin levels, a key hormone for milk production.

- Contains a blend of 23 efficacious herbs.
- Offers comparable efficacy at lower dosages.
- Effective in cases of primiparity, obesity, and C-section delivery.

Happy Days™

HAPPY DAYS EARTH

The First BIS-Approved Compostable Trifold Sanitary Napkin

Happy Days EARTH is an eco-conscious menstrual hygiene solution that combines reliable protection with environmental responsibility.

Key Features

- **Feather-soft Comfort:** Gentle on the skin for a comfortable menstrual experience.
- **100% plastic free:** Made from plant-based, plastic free material to reduce environmental impact.
- **Phthalate-free & Clinically Tested:** Clinically tested to be free from phthalates associated with skin irritation and hormonal imbalance.
- **100% Compostable:** Decomposes within 180 days under suitable composting conditions, leaving no plastic residue.

HAPPY DAYS

Sanitary Pads

Happy Days sanitary pads are designed to provide comfort, reliable protection and confidence throughout the menstrual cycle. Available in Regular and XL variants to suit different needs and preferences.

HOSPITAL PRODUCTS

HLL has a vast array of innovative healthcare products and services, ranging from Blood Bags to Medical Disposables. HLL has been able to reach out and save millions of lives across the world, using the Blood Transfusion products.

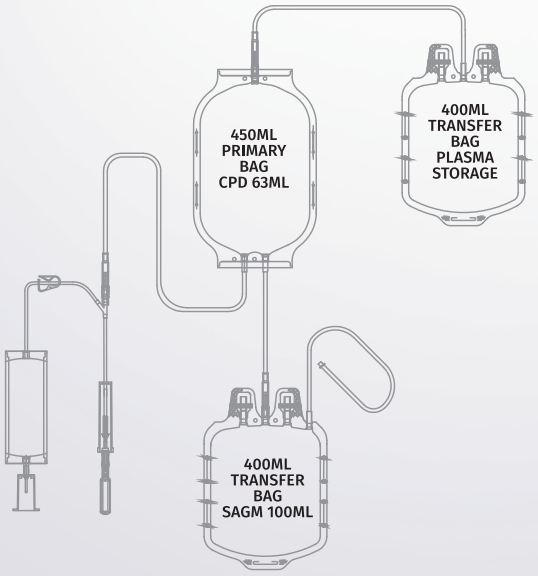

Donato™
Safe Blood for the World

DONATO

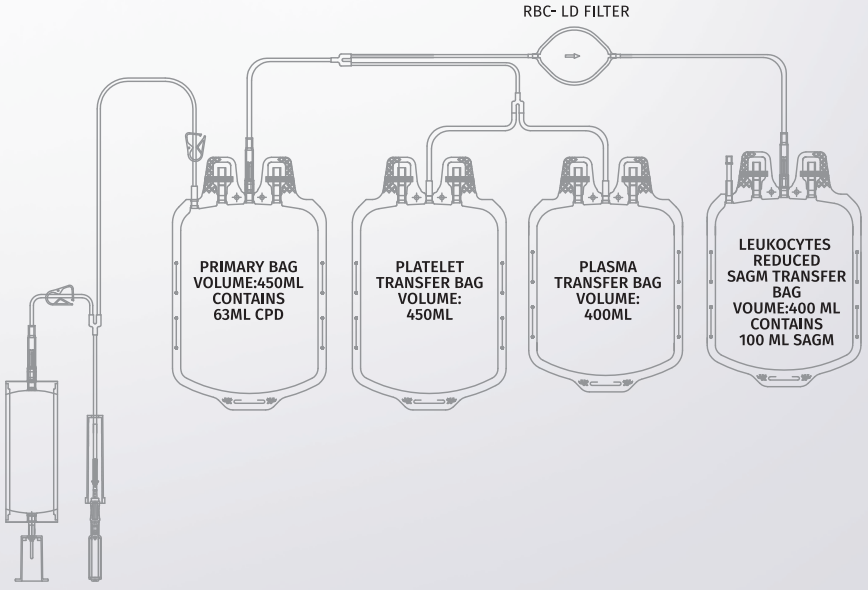

DONATO, meaning 'Gift of God,' reflects HLL's commitment to providing safe and reliable blood transfusion solutions. HLL's comprehensive range of single, multiple, and top/bottom blood bags caters to modern transfusion needs.

Manufactured in a GMP and ISO-certified facility with an annual capacity of 12.50 million units, DONATO bags undergo rigorous quality control, including sterility, pyrogenicity, and leakage tests. Equipped with advanced features like ultra-thin needles, inline sampling systems, and tamper-evident seals, DONATO bags ensure safe blood collection, storage, and component separation.

CE certified and adhering to the highest quality standards, DONATO blood bags offer peace of mind for both donors and recipients.
